

Call for Paper

Dear Prof/Dr/Sir/Madam,

Based on the success of ICERT 2012, School of Industrial Technology, Universiti Sains Malaysia is pleased to organise 4th International Conference on Environmental Research and Technology (ICERT 2015) on 27- 29 May 2015 at PARKROYAL Resort, Penang, Malaysia. This international conference aims to continue and expand the level of dialogue of the previous conferences and also to discuss issues concerning environmental science and technology research towards sustainable development. This would be an excellent opportunity for researchers, academia and industries to exchange ideas, share the latest findings and to form new collaborations in related fields.

The theme of this conference is "*Exploring the Frontiers in Environmental Science and Technology Research*". The deadline for submitting abstracts is 15 December 2014. All accepted papers will be published in the conference proceedings and some selected papers will be published in *Iranica Journal of Energy and Environment* or *Journal of Industrial Research and Technology*.

Conference scopes are:

- Urban and Rural Ecology
- Waste Management (Industrial, Domestic, Natural)
- Environmental Technology and Management
- Environment & Society
- Biodiversity Conservation & Protected Areas Management
- Ecological and Environmental Quality Studies
- Environmental Education
- Computer Modeling & Applications, Remote Sensing, GIS
- Environmental Manufacturing and Engineering
- Cleaner Technologies, Control Treatment and Remediation Techniques
- Life Cycle Assessment, Risk Assessment, Health and Safety Impact Assessment
- Environmental Forensics
- Environment & Human
- Renewable & Alternative Energies

For further information about registration or abstract submission, please visit our website at <http://icert.usm.my/>
